ELECTRONIC FUNDS TRANSFER AND UCC ARTICLE 4A DISCLOSURES

Electronic Fund Transfer Disclosures
An "Electronic Fund Transfer" is any transfer of funds that is initiated through an electronic terminal, telephone, computer, or magnetic tape for the purpose of ordering, instructing, or authorizing a financial institution to debit or credit an account. The term includes, but is not limited to point of sale transfers; automated teller machine transfers; direct deposits or withdrawals of funds; transfers initiated by telephone; and transfers resulting from debit card transactions, whether or not initiated through an electronic terminal.

Consumer Liability
Tell us **AT ONCE** if you believe your **ATM** "Card" or **Debi**t "Card" and/or personal identification number (PIN) or code has been lost or stolen. Telephoning is the best way of keeping your possible losses down. You could lose all the money in your account (plus the amount available on your instant credit). If you tell us within **2** business days, you can lose no more than $50 if someone used your Card/Code/PIN without your permission. If you do **NOT** tell us within **2** business days after you learn of the loss or theft of your Card/Code/PIN, and we can prove that we could have stopped someone from using your Card/Code/PIN without your permission if you had told us, you could lose as much as $500. Also, if your statement shows transfers/transactions that you did not make, tell us at once. If you do **NOT** tell us within **60** days after the statement was mailed to you, you may not get back any money you lost after the 60 days if we can prove that we could have stopped someone from taking the money if you had told us in time. If a good reason (such as a long trip or hospital stay) kept your from telling us, we will extend the time periods.

A.20% (twenty basis points) Currency conversion fee will be assessed on International transactions where Cirrus, MasterCard or Maestro has performed a currency conversion function. This fee will be based on either a government mandated exchange rate, or a wholesale exchange rate selected by Cirrus, MasterCard or Maestro and the rate used will be the applicable rate on the day the transaction was processed, which may differ from the date of the transaction or when it posted to your account. A .80% (80 basis points) Cross Border fee will be assessed on all International transactions whether or not a currency conversion function was performed by Cirrus, MasterCard or Maestro.

Preauthorized Credits: If you have arranged to have direct deposits make to your account at least once every 60 days from the same person or company, and for which you do not receive written notification from that person or company, you can call us at (314) 721-8003 to find out whether or not the deposit has been made.

Periodic Statements: You will get a monthly statement on your checking account. You will get a monthly statement on your savings account unless there are no transfers in a particular month. In any case you will get the savings statement at least quarterly.

Preauthorized Payments and Right to Stop Payment
If you told us in advance to make regular payments out of your account, you can stop any of these payments. Here's how: Call us at (314) 721-8003, or write us at 8000 Maryland Avenue, St. Louis, Missouri 63105, in time for us to receive your request 3 business days or more before the payment is scheduled to be made. If you call, we may also require you to put your request in writing and get it to us within 14 days after you call. We will charge you $20.00 for each stop payment order you give.

Notice of varying amounts
If these regular payments vary in amount, the person you are going to pay will tell you, 10 days before each payment, when it will clear and how much it will be. (You may choose instead to get this notice only when the payment would differ by more than a certain amount from the previous payment, or when the amount would fall outside certain limits that you set).

Liability for failure to stop payment of preauthorized transfer
If you order us to stop one of these payments 3 or more business days before the transfer is scheduled, and we do not do so, we will be liable for your losses or damages.

Bank's Liability – If we do not complete a transfer to or from your account on time or in the correct amount according to our agreement with you, we will be liable for your losses or damages. However, there are some exceptions. We will not be liable, for instance:

- If, through no fault of ours, you do not have enough money in your account to make the transfer.
- If the transfer would go over the credit limit on your overdraft line.
- If the ATM where you are making the transfer does not have enough cash.
- If the terminal/system was not working properly and you knew about the breakdown when you started the transfer.
- If circumstances beyond our control, such as (fire/flood) prevent the transfer, despite reasonable precautions that we have taken.
- There may be other exceptions stated in our agreement with you.

ERROR RESOLUTION – In case of errors or questions about your Electronic Transfers: Telephone us at (314) 721-8003 or write us at 8000 Maryland Avenue, St. Louis, Missouri 63105 as soon as you can, if you think your statement or receipt is wrong, or if you need more information about a transfer listed on the statement or receipt. We must hear from you no later than 60 days after we sent you the FIRST statement on which the problem or error appeared.

- Tell us your name and account number (if any).
- Describe the error or the transfer you are unsure about, and explain as clearly as you can why you believe it is an error or why you need more information.
- Tell us the dollar amount of the suspected error.

If you tell us orally, we may require that you send us your complaint or question in writing within 10 business days. We will tell you the results of our investigation within 10 business days after we hear from you and correct any error promptly. If we need more time, however, we may take up to 45 days to investigate your complaint or question. If we decide to do this, we will credit your account within 10 business days for the amount you think is in error, so that you will have the use of the money during the time it takes us to complete our investigation. If we ask you to put your complaint or question in writing and we do not receive it within 10 business days, we may not credit your account. The 10-day time period is extended to 20 days if the notice of error involves an electronic fund transfer to or from the account within 30 days after the first deposit to the account was made. The 45-day time period is extended to 90 days if the notice of error involves an electric funds transfer that was not initiated within a state; resulted from a point of sale debit card transaction; or occurred within 30 days after the first deposit to the account was made. We will tell you our results within 3 business days after completing our investigation. If we decide that there was no error, we will send you a written explanation. You may ask for copies of the documents that we used on our investigations.

Notice of Receipt of ACH Items
Under the operating rules of the National Automated Clearing House Association, which are applicable to ACH transactions involving your account, we are not required to give next day notice to you of receipt of an ACH item and we will not do so.
